Safety Guidelines

- Only registered players may move beyond the protective netting of the safe area. Protective Facemask must be worn and correctly fitted at all times on the playing fields and when exposed to the playing area. Failure to wear Facemask when on the playing fields or when exposed to the playing area may result in serious eye injury or blindness.
- You are **not** to remove your protective Facemask for any reason, when outside the safe area.
- **Never** bring your paintball gun into the safe area. Your paintball gun must be returned to the gun rack.
- At close range (5 meters or less) please give your opponent the option of surrendering.
- Terrain on the playing fields varies. Always proceed with caution.
- Never fire at a player that has removed or lost their Facemask.
- **No fireworks** are permitted on this property.
- If you find someone injured or if you are injured, immediately notify a staff member who will suspend the game. The game will remain suspended while the injured player is treated or removed from the field.

Please Remember

- Your player ID number is to identify your equipment. It corresponds with both your goggle rack position and gun rack position. Use and return equipment from the racks that corresponds to your ID number only.
- When a paintball hits and breaks upon you, raise your gun above your head and call "HIT" loudly.
- The games will change and vary throughout your game session. Out staff will explain each game before you play, covering what to do when hit, how to win and the basic layout of the field.
- Fields are clearly marked by yellow boundary tape. You may not cross and go outside the field boundary.
- Your valuables are your responsibility. Please secure them safely. We accept no responsibility for your valuables.
- Do not shoot any safety signs.
- While we have used our best endeavours to minimise harm to you, Skirmish is a strenuous action sport played over natural bush terrain with the use of some manmade structures. By playing you agree that you do so **AT YOUR OWN RISK.**
